

SOBIKA

Raffia workshop & artisanal craftsmanship

BY LOI CONFECTION

The Art of Raffia

Raffia is a **natural, flexible and durable material**, at the heart of a mastered and transmitted artisanal know-how.

At SOBIKA, each piece is **handcrafted** using demanding crochet and weaving techniques, allowing the creation of high value-added products.

Backed by the expertise of LOI Confection, our workshop operates within a rigorous framework, combining **craftsmanship, quality and reliability**, serving brands attentive to detail and sustainability.

- Sobika expansion

A dedicated workshop

SOBIKA is a workshop specialized in raffia craftsmanship and artisanal crochet, based in Madagascar.

We develop and manufacture accessories for demanding brands, with particular attention to finishing quality, precision of execution and product consistency.

This expertise, rooted in the mastery of artisanal techniques, is part of a demanding approach combining creativity, rigor and reliability.
